

Some FACTS About

Ford
THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921 and how many have been sold to retail customers, in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221

Total Production 127,074 Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceed production by 80,958 Ford cars and trucks.

April requisitions already specify 107,719 additional cars and truck and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000.

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealer's limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

DRAPER & McCAWLEY CO.

Good Summer County Farm for Sale AT A BARGIN

This splendid farm is located on the Red River pike, three miles west of Gallatin, containing 135 acres of good level land, mostly in fine bluegrass and clover, and is one of the most desirable homes in this section.

The farm is well improved, splendidly fenced and watered. Close to good schools and churches and in one of the best communities in the county. Fine pike from farm to Gallatin.

The dwelling is an ideal brick building and has all the latest conveniences. The barn on this farm can't be beat. You must see the farm to appreciate it.

For further particulars and to be shown the farm, write or see H. B. Reeves, Goliath, Tenn., R-1.

Closing Exercises of High School Attended by Large Audiences.

Medals Awarded and Certificates of Promotion Given to Pupils.

The program of the primary and intermediate grades of the high school given Wed. night was highly entertaining, and well attended. The house was uncomfortably packed and many stood in the hallway during the entire time. One of the most interesting features on the program was the Tom Thumb wedding, which was carried out to perfection. Master James Draper and little Ruth Francis Gist represented the bride and groom and were becomingly attired for the occasion. Victor McDearman, as elegeman, performed the ceremony in an impress manner. While the flowers girls and other attendants added much to the happy occasion.

The high school pupils rendered a very interesting program Thursday night, in which each participant showed marked ability.

Medals were awarded as follows:

Reading, Willard Johnson.
Declamation, Roger Quarles.
Vocal Solo, Margaret Haile.
Essay, Francis Wooten.

The debate "Resolve that the right of suffrage should be given to woman equal to that of man." was won by the negative.

The three best speakers on each side were awarded medals, as follows: negative, Vivian Cooper, Christine Settle, Elizabeth Sadler; affirmative, Willard Johnson, Dona Vanhooser, Dorris Haile.

The pupils were given their promotion certificates Friday morning, and the curtain was rang down on a very successful term of school.

The music department will render their program tonight (Friday.)

SIX SOUTHERN STATES SUFFERED GREAT LOSS OF LIFE AND PROPERTY BY TORNADOES.

(continued from page 1)

line in Texas, many farm houses and outbuildings were destroyed and crops in those sections are almost a complete loss.

Heavy property loss in Tennessee is reported from Newport, Lynnville and Connersville. In Shelby County alone, the county commissioners estimated the loss to roads and bridges at \$75,000.

In Mississippi, in addition to actual loss from the high winds much farm land will be inundated by the rapidly rising streams throughout the state. A number of railroads in the state report tracks washed out and damage to road beds by the unprecedented rainfall. A report received from Armit County says that ten farm houses were destroyed by a storm late Saturday and ten persons injured, one fatally.

In Alabama property loss in Birmingham is estimated at \$200,000 with ten injured. Heavy rains and high wind in several parts of North Alabama are also reported to have caused heavy property and crop loss.

In Georgia, where a heavy wind and rain storm struck at Rome the property loss will exceed \$200,000, it was reported.

Circuit Court Adjourns.

"Filthy lucre" is so called because the most of us haven't any of it worth mentioning.

BUICK

The many telegrams from all sections of the country received by Buick during the past few weeks asking for immediate delivery of Buick cars tell a significant story. They prove the confidence of the public in Buick. Reflected in the placing of these Buick orders at a time when sales are being made up on the basis of greater relative values and actually demonstrated worth. In many cases, this active buying is stimulated by a realization of the periodical shortage of Buick cars and a desire to insure delivery.

Since January first, regular equipment on all models includes card tires
